

## Monocotyledon Fruits and Embryo Development

| SKU       | Title                                                               | Price   |
|-----------|---------------------------------------------------------------------|---------|
| 20-10A    | Zea Mays Kernal Embryonic Root Tip Prepared Microscope Slide 20-10A | \$13.25 |
| 14-12     | Grass Root Tip Prepared Microscope Slide 14-12                      | \$7.50  |
| 19-14SP   | Michigan Lily Fruit Prepared Microscope Slide 19-14SP               | \$6.00  |
| 20-8B     | Triticus aestivum Kernel LS Prepared Microscope Slide 20-8B         | \$5.50  |
| 20-267A   | Spiranthes cernua Ovary Prepared Microscope Slide 20-267A           | \$8.00  |
| 20-266-1  | Secale cereale CS Prepared Microscope Slide 20-266-1                | \$8.00  |
| 20-261B   | Goodyera pubescens Fruit Prepared Microscope Slide 20-261B          | \$8.00  |
| 20-255B-2 | Avena Embryo Prepared Microscope Slide 20-255B-2                    | \$17.25 |
| 20-252    | Allium Cepa Prepared Microscope Slide 20-252                        | \$8.00  |
| 20-10DD   | Zea Mays Kernal CS Prepared Microscope Slide 20-10DD                | \$6.00  |
| 20-10D    | Zea Mays Kernal LS Prepared Microscope Slide 20-10D                 | \$5.25  |
| 20-10CC   | Zea Mays Embryo Prepared Microscope Slide 20-10CC                   | \$16.25 |
| 20-255B-1 | Avena Embryo Median Prepared Microscope Slide 20-255B-1             | \$61.50 |
| 20-8D     | Triticus aestivum Embryo LS Prepared Microscope Slide 20-8D         | \$15.50 |
| 20-10B    | Zea Mays Kernal Embryonic Stem Tip Prepared Microscope Slide 20-10B | \$14.75 |
| 20-8A     | Triticus aestivum Kernel CS Prepared Microscope Slide 20-8A         | \$5.50  |
| 20-6B     | Sagittaria latifolia Embryo Prepared Microscope Slide 20-6B         | \$10.00 |
| 20-266-2  | Secale cereale LS Prepared Microscope Slide 20-266-2                | \$8.00  |
| 20-262B   | Juncus balticus Fruit Prepared Microscope Slide 20-262B             | \$8.00  |
| 20-255B-3 | Avena Embryo Non Median Prepared Microscope Slide 20-255B-3         | \$7.00  |
| 20-255A   | Asparagus Fruit Prepared Microscope Slide 20-255A                   | \$7.00  |
| 20-10E    | Zea Mays Inflorescence Prepared Microscope Slide 20-10E             | \$6.00  |
| 20-8C     | Triticum aestivum Embryo Median LS Prepared Microscope Slide 20-8C  | \$60.50 |
| 20-10C    | Zea Mays Embryo Median LS Prepared Microscope Slide 20-10C          | \$60.50 |
| 20-6A     | Sagittaria latifolia Median Embryo Prepared Microscope Slide 20-6A  | \$28.00 |
